**Subject:** Request for Dec 2 Call from NRC - explanation

I just had a call with Elise Striz from the NRC requesting the Dec 2 call I just sent the invite for.

## Ex. 5 AC/DP

Elise let me know that the NRC proposed their own regs back in January once the EPA decided not to issue updated part 192 regs.

# Ex. 5 AC/DP

I will work on some talking points and send them out Monday (11/25) morning and set up a time for us to talk and get our thoughts together on Tuesday (11/26). I will be telecommuting those two days because of my office move.

Thanks!
